SOCIAL EVENTS

With the graciousness and charm that always distinguish their entertainments, Mrs. James Johnson and the Misses Johnson last night added another social success to the many that have crowned their hospitality, when from 7 to 9 they received, complimentary to Mr. and Mrs. Philip S. Kemper of Cincinnati.

Throughout the designated hours the rooms were filled with friends to extend greetings to the cordial hostesses and their charming guests—for no more popular girl than Mrs. Kemper over graced Mayville society.

The decorations in the dining room were very artistic, a commingling of green and scarlet that made a most inviting environment in which to enjoy the delicious refreshments. Throughout, it was a happy occasion, characterized by the cordiality and ease that always mark the hospitalities of Mrs. Johnson's gracious home.

Cholera Infantum.

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It is so named, however, when promptly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy, and within a few days, with each bottle, and a cure is certain. For sale by J. Jas. Wood & Son, Druggists.

The Mason County Christian Co-operative Convention, consisting of the fourteen Christian Churches of the city and county, will be held at Beasley Creek Church, Tuesday, August 18th. The LEDGER will give further details as the day approaches.

MOSES—LEE.

As the organ, under the deft touch of Miss Florence Rogers, pealed forth the Wedding March at 2 o'clock last afternoon, the Moses-Lee bridal party entered the auditorium of the Central Presbyterian Church.

Long before relatives and friends of the families had gathered to witness the nuptials, the fair bride being an especial favorite in Mason county.

Messrs. Percy Lee, John Hunter and Harry C. Curran were the ushers, and the lovely bridesmaids were Misses Flora Hunter, Mary Noyes and Susie Bradford, the latter of Aberdeen.

Entering the Church singly, the party made an unusually handsome group at the altar.

Miss Jane Lee, escorted by her father, came last, being met at the altar by the groom, Mr. Thomas L. Moses.

The Rev. John C. Melloy, Pastor of the Church, performed the ceremony, at the close of which the party was driven to the home of the Misses Lee in East Third street.

Later, at 3:20 Mr. and Mrs. Moses left over the C. and O. for a trip to Canada, and in the fall will be at home at Knoxville, Tenn.

The bride is the daughter of Mr. and Mrs. Graham Lee and is one of the most gifted young women of this county. Yesterday, in her handsome bridal toilet, with veil, she made a picture most fair to see, radiant and happy.

Mr. Moses is a well known educator, being President of the Tennessee Deaf and Dumb School located at Knoxville. Taking so accomplished a woman as his wife, his future success will be watched and wished for by many warm friends in this section.

GULLEY—BLYTHE.

Walter Gulley and Mary M. Blythe were married yesterday by His Honor Judge Newell.

The bride was sixteen and had the consent of her parents.

LOOKING OVER THE LINE!

Party Left For Mt. Olivet to Prospect For Traction Route.

President John Daley, W. C. Polham, Millard Merz, H. G. Wells, M. J. McCarthy and Thornton Cox of this city, accompanied by Mr. A. M. Kantz of Georgetown O., and a Civil Engineer from Ohio, left this morning for Mt. Olivet. They go by way of Mayslick, and their purpose is to decide upon the most feasible route for the proposed traction line between this city and the Robertson capital.

It is expected that they will be absent a day or two.

ATTEMPTED ASSAULT!

Aberdeen Has an Exciting Experience—Villain Escaped.

Our neighboring little town across the Ohio, Aberdeen, was stirred last night to its very foundation from a supposed attempted assault upon one of its most worthy citizens.

In the East end of the town in a pretty little cottage resides Mr. William McDaniel and wife. About twilight last evening, while engaged in picking plums in her garden, she was approached by a man who addressed her in a rough manner: "Come here to me, and if you make the least noise I will kill you."

Notwithstanding his threat Mrs. McDaniel gave two or three loud screams and then fainted. In some manner she had made her way to the house, and when found by the neighbors she was hid in the corner of the room, and could only repeat—"A man, a man!"

It seems the miscreant had approached her by coming from under the bank.

She describes him as a man of medium height, red hair and sandy mustache.

It was not many minutes after the alarm was given that hundreds of enraged citizens were on the hunt of the human brute.

The loan of the Mason county bloodhounds was asked for, but the usual fee not accompanying the request of course they were refused.

It is fortunate the design of the man was frustrated by the prompt arrival of aid.

Very Remarkable Cure of Diarrhoea.

"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Losque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.

The death of Pope Leo XIII. removes the most colossal figure in the religious history of the closing of the Nineteenth and the opening of the Twentieth century. May his successor be as able and as wise!

The Republicans who turn Democrats are the best fellows on earth; the Democrats who turn Republicans are fit for "treason, cratements and spoils"—or words to that effect. At least that's the Democratic way.

The Greenup Gazette, now edited by Mr. F. L. Rutledge, is "chock full" of choice matter, covering the political as well as the local field. Br'er Rardin remains as owner; but his legal business was so exacting that he could not devote sufficient time to his paper. Fact is, a man who does devote a proper share of his energies to a newspaper has little time to play baseball, golf, stud poker, ping-pong—or even get acquainted with his wife.

The Special Grand Jury at Jackson returned an indictment against GARDNER PLUMMER, charging him with attempting to bribe B. J. EWEN to leave the country or swear falsely in the Jett-White case. Indictments also were returned against JOE CRAWFORD and ED. THARP, charging them with burning Ewen's Hotel. An effort was made to implicate Judge HARGIS and Sheriff CALLAHAN in the bribery case, but the evidence against them was not sufficient, in the judgment of the Jurors, to justify an indictment. One should not forget to remember, however, that these cautious Jurors were men who had been specially selected by Judge HARGIS himself for the performance of their arduous duties.

AND now the Civil Service Commission and the Bookbinders Union of Washington City has run a-tilt; and President ROOSEVELT is "forinst" the Union and for the law. The outcome will no doubt be watched with interest by the Walking Delegates.

This is the size of the trouble—WILLIAM A. MILLER on May 18th was relieved by the Public Printer from his position as Assistant Foreman of the Government Printing Office because he had been expelled from the local Union of the International Brotherhood of Bookbinders. Mr. MILLER complained to the Civil Service Commission and on July 6th it requested Mr. MILLER's reassignment to duty, his removal being contrary to the Civil Service rules.

Complaint had also been made to the President, and by his direction Secretary CORTLEYON investigated the matter. On July 13th President ROOSEVELT wrote as follows:

"My Dear Secretary Cortleyon: In accordance with the letter of the Civil Service Commission of July 6th the Public Printer will reinstate W. A. MILLER in his position. Meanwhile I will withhold my final decision of the whole case until I have received the report of the investigation on MILLER's second communication, which you notify me has begun today, July 13th.

"On the face of the papers presented MILLER would appear to have been removed in violation of law. There is no objection to the employees of the Government Printing Office constituting themselves into a body if they desire so to do, but no rules or resolutions of that Union can be permitted to override the laws of the United States, which it is my sworn duty to enforce."

Pending the "investigation" Mr. MILLER has been ordered to report for duty in his old position; and it remains to be seen which is the biggest man—the Bookbinders Union or Uncle Sam.

CAREX STRICTA!

A WONDERFUL FREAK OF NATURE!

Now Being Utilized for Furniture.

Minnie Furniture is now being made from American Wire Grass, which is recognized by botanists as "Carex Stricta," and differs from all other grasses, in that it has a solid stem without joints, without lateral leaves and without mineral substances, which keeps wire grass pithy and tough and preserves its pliability indefinitely. Minnie Chairs, Divans, Tables and Clothes Hampers are made of Wire Grass, beautifully braided into artistic designs very pleasing to the eye.

"Beauty is Only Skin Deep!"

Is an old saying, but in this case UNTRUE. The beauty of Grass Furniture is that it is so durable Grass Furniture is indestructible. Once bought, Grass Furniture can be willed to your posterity upon your demise. Minnie's superiority is admitted in every neighborhood that she visits.

Familiarity Does Not Breed Contempt.

A large, comfortable arm chair made from Wire Grass is so pliable that it just fits the possessor, and fits better each year, and as the years roll by this old acquaintance becomes dearer.

If There is Anything Prettier Than GRASS FURNITURE We Have Never Seen It!

Minnie Furniture is up-to-date, just what you see in your Eastern cousin's home.

HOME TESTIMONY FOR HOME PEOPLE

When you are asked to take the word of someone unknown and at a distance as to the value of an article it requires a stretch of faith. When you are told that someone in your own town—someone whom you know or can go to and verify the statement—says the article is all it is claimed to be, it gives it at once the stamp of honesty. This is the principle pursued with Dr. A. W. Chase's Nerve Pills—Home testimony for home people.

Mr. R. H. Wallace of No. 28 East Front street, Maysville, Ky., says:

"I have been for a long time troubled with severe nervousness, dizziness, sleeplessness and indigestion. Having read in the papers of Dr. A. W. Chase's Nerve Pills I thought I would try them. I got a box at Chenoweth's Drugstore and am pleased to say my nerves are strong and steady again—I sleep well—am no longer bothered with those dizzy spells and my appetite and digestion are splendid. I am able as a consequence to recommend the medicine very highly to others who suffer in a like manner."

A Surgical Operation

Is always dangerous. Do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Sumner, S. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by J. Jas. Wood & Son.

Just About Bedtime

Take a Little Early Riser. It will cure constipation, biliousness and liver troubles. DeWitt's Little Early Riser are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by J. Jas. Wood & Son.

Every Bottle Guaranteed
All Druggists. 25c, 50c and \$1.00 Bottles.

FOR SALE BY JOHN S. PECON DRUGGIST.

Many a man would better go without lunch at all than eat the hurried lunch which forms the noon-day meal of many a business man. Hasty eating, foods hard to digest, and no time allowed for digestion are the cause of many a case of stomach "trouble."

Disease of the stomach seriously threatens the health of the whole body and should be promptly cured. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition.

"Nine or ten years ago my health became very poor, and in 1892 was so far gone that good doctors pronounced my case the worst they had ever treated," writes Mr. Harvey Phipps, of Florence, Ala. "I had acute stomach trouble, liver complaint, catarrh and was nervous to such an extent I could not sleep. I finally got three bottles of Dr. Pierce's Golden Medical Discovery and some 'Pellets.' Took them according to directions on the bottles, and in a few days noticed a decided improvement. I commenced to get more rest at night and could eat with pleasure, where formerly food was like chips to me. When I had used three bottles of the 'Discovery' I was a new man, could eat mince pie for supper, go to bed at seven P. M. and sleep until seven A. M. I am now working at my trade (carpentry), every day in all kinds of weather, and think if I had not taken your medicines I would now be under the sod."

Dr. Pierce's Pleasant Pellets cleanse the clogged system from accumulated impurities.

Lecturing at the Royal Institution on the retardation of the earth's motion, Prof. George H. Darwin said the time would come when the length of day would be prolonged to fifty-five of the present days.

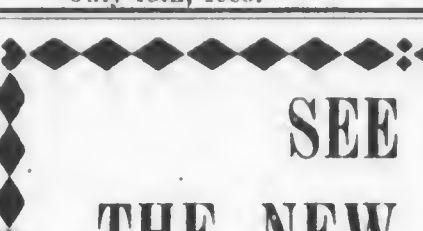

CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25c size has just been introduced this year. Regular size 75c. At Henry W. Ray's, next door to Postoffice.

WE HAVE

This day disposed of our drygoods business to Messrs. D. Hunt & Son, after a business career of 84 years, and take this opportunity of thanking our customers for their generous patronage, whose kindly associations will be long remembered by us. Some of you have been our customers through three generations. It is a source of regret to us to break these ties. Through the generosity of the Messrs. Hunt we will have our office at the old stand until August 1st, where settlements of accounts can be made. After that date all accounts will be placed in the hands of a collector. We bespeak for the new firm a generous share of your patronage. Very respectfully,

CLOTHING
TALK!sss

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

Catastrophe of the Stomach.
When the stomach is overloaded, when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causing the glands to secrete mucus instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by J. Jas. Wood & Son.

"Nothing More to Pay"

That's what he said and further, he (Mr. Ebe Walter, of Clarksville Del.), said this:

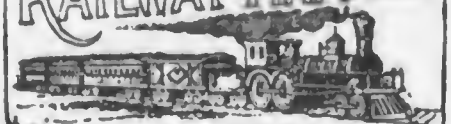

The feature that I particularly like about my policy is that the longer I live the more I get, and that during the balance of my life, there is nothing more for me to pay.
(From *Washington (D.C.) News*, Nov. 21, 1902.)

The fact is that a Fifteen-Year Distribution Policy, issued by The Mutual Life Insurance Company of New York is a very interesting document. A yearly dividend, increasing each year after the policy is paid up—a sum paid the estate, and options which make it almost like handling so much cash and yet keeping it for your heirs at the same time.

In writing for information about a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
